

# Spring 2023

## Issue Highlights

A Community United  
Financial Literacy Initiatives  
Sponsorships & Donations

**Klamath River Volunteer Fire Department Donation**

## A Community United

Each year new obstacles are presented to us. In 2022, our community endured so much loss, due to the surrounding fires. We set out to provide as much assistance as possible; by opening the Mill/McKinney Fire Fund (to provide a place for the community to donate) and partnering with Yreka Motors to present a \$10,000 check to the Klamath River Volunteer Fire Department.

The generosity of our credit union affiliates/vendors, with donations totaling \$34,800, and our community/members, donating just over \$8,200, was tremendous, as the Mill/McKinney Fire Fund reached just over \$42,000.

By working with various fire resources the funds have been distributed to Siskiyou Community Resource Collaborative and McKinney Fire Long Term Recovery Group.

## Mill/McKinney Fire Donation

Siskiyou Community Resource Collaborative  
**\$27,039.94**

McKinney Fire Long Term Recovery Group  
**\$15,000**

# So Many Ways to PAY

## Financial Literacy is at our Core

Financial Literacy is a top priority at Siskiyou Credit Union, and we live by the credit union motto, "People Helping People." We want to create loyalty with our younger generations by providing as much financial education and opportunities as possible. Below are a few of our current Financial Literacy Campaigns going on in the county.

### Zogo Finance App

SCU is partnering with Zogo, a financial literacy app that pays its users to complete various lessons in personal finance. The app is free to all users, and offers real time \$\$\$ rewards for playing. Get paid to learn. Download the app using code "Siskiyou" and start earning while you learn today!

### SCU Yreka High Miner Branch

Did you know that Siskiyou Credit Union has a branch at Yreka High? Ran by our student employees, we are proud to provide a banking and educational resource for our high school students and teachers.

We are also excited to be expanding our reach at Yreka High School with a financial component in the classroom. This gives our team the opportunity to explain the differences between credit unions and banks, share the services SCU offers, and help students understand different aspects of lending, preparing them for a successful transition to life after high school.

### SCU Bank Week/School Savings Program

During the school year Siskiyou Credit Union visits various schools around the county to provide an opportunity for students to open accounts and make deposits into their savings. This program is creating an early start to financial education in young students throughout Siskiyou County.

### Bite of Reality

SCU hosts a Bite of Reality event at several schools in the county. This is a bite-sized hands on simulation of life after high school. Students are given a monthly income, occupation, family, etc. and have to budget appropriately according to their "life."

# CD Specials

# 3.95%<sup>APY\*</sup>

## 17-Month Certificate

# New Year, New Rates

Minimum Balances Required  
APY=Annual Percentage Yield\*  
Federally Insured by NCUA

### Lock in a Higher Rate

Siskiyou Credit Union CDs are back. Begin saving with as little as \$1,000 and even enjoy convenient 6, 9 and 17 month terms.

### From the President/CEO

It's been a year since we began the adventure in our new building. Alongside our community, we've worked through the kinks and have settled in nicely, with a beautiful space to share with our employees and members.

Last year, with the fires that drastically affected our surrounding community, Siskiyou Credit Union worked with local officials across various organizations to develop the best plan for dispersing funds raised to help after the fires. In 2022 we partnered with Yreka Motors to present a \$10,000 check to the Klamath River Volunteer Fire Department; SCU continuously stocked a freezer with unlimited ice cream for the fire camp at the fairgrounds; and opened a fund for the McKinney and Mill Fires, totaling more than \$42,000 raised to help those in need after the fires.

We are proud and grateful to our membership and credit union affiliates for stepping up to raise such a significant amount, that is now being dispersed to two grateful organizations: Siskiyou Community Resource Collaborative and the McKinney Fire Long Term Recovery Group.

As our membership continues to grow, we would like to thank you again for your dedication to your credit union. We will continue to strive to bring you the best products and services that will make your life easier, at a price you can afford, with the service you deserve.

Sincerely, Becky Ives

### Board of Directors

Kimberley Eastman - Chairman  
Paul McCoy - Vice Chairman  
Maryann Kaae-Munson - Secretary  
Karen Goyeneche - Board Member  
Kathleen Bergeron - Board Member
