WHAT YOU NEED TO KNOW ABOUT OVERDRAFTS & OVERDRAFT FEES

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices that come with your account.

2. We also offer overdraft protection plans, such as a link to a savings account. This notice explains our standard overdraft practices. What are the standard overdraft practices that come with my account? We do authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using your checking account number
- Automatic bill payments

We will not authorize and pay overdrafts for the following types of transactions without your consent.

- ATM transactions
- Everyday debit card transactions

We pay overdrafts at our discretion, which means, we do not guarantee that we will always authorize and pay any type of transaction. Each account has a standard overdraft limit. If we do not authorize and pay an overdraft, your transaction will be declined. What fees will I be charged if Siskiyou Credit Union pays my over-draft? Under our standard overdraft practices:

- We will charge you a fee of \$30 each time we pay an overdraft.
- There is a limit of 9 fees per day that we can charge you for overdrawing your account.

What if I want Siskiyou Credit Union to authorize and pay overdrafts on my ATM and everyday debit card transactions? If you want us to authorize and pay overdrafts on ATM and everyday debit card transactions, call 530.842.1694 Ext. 0, visit our website at siskiyoucu.org, or complete the form below and present it at the branch or mail it to: PO Box 1125, Yreka, CA 96097.
